

Undergraduate Research Symposium

Visual Arts Evaluation Rubric

Name: _____ Presentation Title: _____ Total: _____/15 Rank: _____

CRITERIA	MISSING OR UNACCEPTABLE	DEVELOPING	ACCOMPLISHED	EXEMPLARY
	0 POINTS	1 POINT	2 POINTS	3 POINTS
TITLE AND ABSTRACT	Title and Abstract are missing or inappropriate given the topic and objectives	Title and Abstract lack relevance or fail to offer appropriate details about the topic and objectives or are too lengthy	Title and Abstract are relevant and of required length, offering details about the proposed topic and objectives	Title and Abstract are concise, informative and clearly indicate the relevant details of the proposed project.
EVIDENCE OF RESEARCH	Lacks the detail to provide meaningful research for the project. Concepts, evidence and definitions are omitted or inappropriate given the topic.	Demonstrates limited skill in crafting a clear body of research. Concepts are poorly formed and ambiguous.	Demonstrates skill in crafting a coherent, unified and restricted research relevant to the project topic	Articulates clear, coherent, reasonable and succinct research that is interesting, innovative and relevant to the project topic
EVIDENCE OF DEVELOPMENT	Seemingly unaware of how to relate research to the topic and project plan of work.	Demonstrates some skill in using research to flesh out a coherent and relevant plan of work.	Demonstrates proficient skill in using research to develop a detailed plan of work.	Demonstrates superior skill in using innovative research to develop a detailed, coherent and relevant plan of work.
EVIDENCE OF ORIGINAL THOUGHT	Plan does not demonstrate originality of thought	Plan is somewhat original and creative.	Plan uses research and critical thinking to examine the topic in an original manner	Plan uses research, critical thinking and artistic process to examine the topic in an original and creative manner.
ORGANIZATION OF PROPOSAL	The length of the narrative exceeds the suggested limit. The ideas and concepts are presented in an unclear manner	The length of the proposal is appropriate. There is some logic in the proposal but it lacks a clear focus.	Proposal follows guidelines. The proposal presents the ideas in a somewhat logical manner	The proposal follows the guidelines and the ideas and concepts are presented in a clear and logical manner identifying reasonably well with the topic and goals of the project.
