

Bart Gunter

Bart Gunter is another proud TCC graduate who remains involved with his alma mater. His focus on the importance of education has helped to garner the support of Rogers, Gunter, Vaughn Insurance (RGVI) in fulfilling our mission.

Bart earned his A.A. in 1983 after graduating from Lincoln High School and before going on to the University of Florida. After spending several years working as a staff member for U.S. Senator Bob Graham, Bart joined Rogers, Atkins Insurance, now known as RGVI. After nearly thirty years in the industry, Bart is considered a top producer and recently brokered a deal for RGVI to join the sixth largest insurance broker in the nation, HUB International. In addition, he lectures and provides continuing education coursework for numerous statewide Associations.

Bart's record of community service speaks volumes about his values. He has served on the Boards of Kids Incorporated, Working Well, Independence Landing, Progressive Pediatric Foundation and the Tallahassee Chamber of Commerce. In addition, he is member of Leadership Tallahassee, class XX, and the Bradfordville Baptist Church where he sings in the choir and is formerly chairman of the Board of Deacons.
