### **Richard Gunnels**

Richard is now retired from the Florida Department of Agriculture. He is doing consulting work for those disabled and helping Commercial Fisherman stay in compliance with the law. He spends his spare time at the coast fishing and loves training his Grand National bred English Cocker Spaniel, Bradley. Richard's time at T.C.C. led him to F.S.U. and a Bachelors Degree in Political Science. Richard's favorite quote is from Zig Zigler who said "You can have anything in life you want, if you only help other people get what they want". Richard still calls Tallahassee home. He has one daughter, Ellie, who lives in Tallahassee also.
