

# Scott Brewer ('87)

Scott Brewer brings 27 years of experience in commercial and residential construction to his role as president of Allstate Construction. He employs more than 80 people in multi-location offices in Florida and Georgia. The firm has achieved Silver Accreditation from the United States Green Building Council, employs 12 Leadership in Energy and Environmental Design Accredited Professionals on staff, and is committed to protecting Florida's natural resources through its green building practices.

A native Tallahasseean, Scott is a graduate of Godby High School, Lively Vocational Institute, Florida A&M University, and Tallahassee Community College. Scott's heart truly lies in our community. He believes in giving back and focuses his time, talent, and treasure to do just that. He serves on boards of Independence Landing as well as the Fellowship of Christian Athletes for both Tallahassee and the state of Florida. He has served in various capacities on other local boards such as the Associated Builders and Contractors - North Florida Chapter, serving as president for two years.
