

## **Vic Swan**

As a morning air personality on WTNT, Vic Swan has one of the most readily recognized names among radio listeners in Tallahassee and is also well known as an artist. Vic credits long-time TCC art instructor Ruth Deshaies with nurturing and encouraging his talent. He has given back to TCC through the establishment of the Brian Swan Memorial Scholarship in memory of his son who was active in theatre while attending TCC. Vic remembers the closeness of TCC in its first year at Godby.

“There was no campus in 1966 when I enrolled, but there was a friendship and a sense of purpose among the first students and faculty of TCC... and Dr. Fred Turner knew every student on a first name basis.”
