MEMORANDUM

TO: District Board of Trustees
FROM: Barbara R. Sloan, President *BRS*
SUBJECT: Laboratory Fees

Item Description:

The attached represents changes to the 2010-2011 schedule of laboratory fees.

Overview:

Every year the Board is asked to approve tuition and fees for the upcoming academic year. Laboratory fees have been reviewed for compliance with State requirements and, as necessary, adjustments are brought for approval.

Salient Facts:

Each community college board of trustees is authorized, in section 1009.23, Florida Statutes, to establish laboratory fees. Such fees may not exceed the cost of the services provided.

Past Actions:

The Board approved a comprehensive list of laboratory fees at the June meeting. The items presented today are corrections and additions to that list.

Future Actions:

As courses are added, modified, or deleted and as the cost of providing services changes, the Board will be asked to approve revisions to the laboratory fee schedule.

Funding/Financial Matters:

The changes recommended will have a minimal effect on College funding.

Staff Resource:

Frank Brown

Recommended Action:

Approve the changes to the laboratory fee schedule.
