MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at both the TCC Main Campus and the TCC Florida Public Safety Institute for information for the Board of Trustees.

Overview and Background

Main Campus:

Architectural planning continues for renovations to the Dental Hygiene area. The architectural plans for the Organic Chemistry lab renovation in the Science and Math building had to be revised in order to meet budget requirements, and the GMP is presented as a separate agenda item. Construction is also underway on two minor projects, including renovations to the Student Success Center on the second floor of the Student Union building and renovations to create a new Veteran's Resource Center on the second floor of the Computer Technology building.

Florida Public Safety Institute:

Logging continues in support of the Natural Resource Management Plan at the Institute. In addition, design studies are underway to evaluate methods of improving critical power infrastructure at the Administration building, and improving the sanitary system at the Range Storage building.

Past Actions by the Board

None

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
