

August 19, 2013

MEMORANDUM

TO: District Board of Trustees

FROM: Jim Murdaugh, President 

SUBJECT: Career Pathway Agreements with Public Schools in the North Florida Region

Item Description

This item presents Career Pathway Agreements between the College and public schools located in the north Florida region outside of TCC's service district.

Overview and Background

In an effort to provide career opportunities for secondary school students in Career Pathway programs, Tallahassee Community College is proposing to enter a partnership with the North Florida Career Pathways Consortium. TCC will provide career pathways in the areas of Building Construction Technologies, Digital Design, Early Childhood Education, New Media Technologies, Teacher Assisting, and Web Development. None of this coursework is available through North Florida Community College; President Grosskopf has provided written support of this agreement with Tallahassee Community College. President Grosskopf's letter is included with the attached agreements. This is TCC's first year providing career pathways for students in Hamilton, Jefferson, Lafayette, Madison, and Suwannee counties.

Past Actions by the Board

The Board has approved career pathways agreements with public schools in the past.

Funding/Financial Implications

None

Staff Resource

Barbara Sloan

Recommended Action

That the Board approve the Career Pathway Agreements with the five counties.

Office of the
President

July 1, 2013

Dr. Jim Murdaugh
President
Tallahassee Community College
444 Appleyard Drive
Tallahassee, Florida 32304

Dear Dr. Murdaugh:

Re: Articulation Agreements with the North Florida Career Pathways Consortium

North Florida Career Pathways Consortium Coordinator, Sam Stalnaker, has requested permission to enter into articulation agreements with Tallahassee Community College in the areas of Allied Health, Building Construction Technologies, Criminal Justice Operations, Culinary Arts, Digital Design, Early Childhood Education, New Media Technologies, Teacher Assisting, and Web Development. Tallahassee Community College has the potential to offer articulations in post-secondary coursework that is not available at North Florida Community College.

Potential articulations will not hinder any current coursework or AS degrees in these areas at North Florida Community College. Therefore, North Florida Community College would have no objections to our North Florida Career Pathways Consortium entering into articulation agreements with your institution in these areas.

If I can be of any additional assistance in this matter, please feel free to contact me.

Respectfully,

A handwritten signature in blue ink, appearing to read "John Grosskopf", is written over the typed name and title.

John Grosskopf
President

A large, 3D graphic of a ribbon or banner that curves across the bottom of the page. The ribbon is light blue and has a shaded, three-dimensional appearance. The text '2013-2014' is printed in black on the right side of the ribbon.

2013-2014

**Career and Technical Education
Tallahassee Community College & Hamilton County School Board
Career Pathways Articulation Agreement
2013-2014**

Articulation is a method of granting college level course credit for learning and skills accomplished as part of secondary school instruction. The secondary school and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

TCC will work with the high school to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreement will be developed during the year, and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements and present evidence of the following:

1. Successful completion of the articulated secondary technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Completion of Tallahassee Community College placement testing requirements.
3. Graduation from secondary school no more than 18 months prior to enrollment at Tallahassee Community College.
4. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification.

Procedure

1. The secondary school instructor provides evidence of completion to the district Career and Technical Education contact who forwards the information to the TCC's Career Pathways contact.
2. TCC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the district Career and Technical Education contact informing students of the Career Pathway articulation agreement opportunities.

Conditions of Agreement

1. Hamilton County High School faculty members and TCC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. Hamilton County High School and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Hamilton County High School and TCC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. TCC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either Hamilton County High School or Tallahassee Community College through providing thirty (30) days' notice. In the event of a termination, both schools agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at TCC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Provost of Tallahassee Community College, Dean for Technology and Professional Programs of Tallahassee Community College, District Representative for Hamilton County Schools, the TCC Career Pathways Specialist and others as so designated.

2013-2014

**Career and Technical Education
Tallahassee Community College & Jefferson County School Board
Career Pathways Articulation Agreement
2013-2014**

Articulation is a method of granting college level course credit for learning and skills accomplished as part of secondary school instruction. The secondary school and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

TCC will work with the high school to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreement will be developed during the year, and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements and present evidence of the following:

1. Successful completion of the articulated secondary technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Completion of Tallahassee Community College placement testing requirements.
3. Graduation from secondary school no more than 18 months prior to enrollment at Tallahassee Community College.
4. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification.

Procedure

1. The secondary school instructor provides evidence of completion to the district Career and Technical Education contact who forwards the information to the TCC's Career Pathways contact.
2. TCC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the district Career and Technical Education contact informing students of the Career Pathway articulation agreement opportunities.

Conditions of Agreement

1. Jefferson County High School faculty members and TCC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. Jefferson County High School and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Jefferson County High School and TCC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. TCC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either Jefferson County High School or Tallahassee Community College through providing thirty (30) days' notice. In the event of a termination, both schools agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at TCC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Provost of Tallahassee Community College, Dean for Technology and Professional Programs of Tallahassee Community College, District Representative for Jefferson County Schools, the TCC Career Pathways Specialist and others as so designated.

Career Pathways Articulation Agreement
2013-2014**

Articulation is a method of granting college level course credit for learning and skills accomplished as part of secondary school instruction. The secondary school and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

TCC will work with the high school to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreement will be developed during the year, and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements and present evidence of the following:

1. Successful completion of the articulated secondary technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Completion of Tallahassee Community College placement testing requirements.
3. Graduation from secondary school no more than 18 months prior to enrollment at Tallahassee Community College.
4. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification.

Procedure

1. The secondary school instructor provides evidence of completion to the district Career and Technical Education contact who forwards the information to the TCC's Career Pathways contact.
2. TCC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the district Career and Technical Education contact informing students of the Career Pathway articulation agreement opportunities.

Conditions of Agreement

1. Suwannee County School faculty members and TCC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. Suwannee County Schools and TCC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Suwannee County Schools and TCC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. TCC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either Suwannee County School Board or Tallahassee Community College through providing thirty (30) days' notice. In the event of a termination, both schools agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at TCC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Provost of Tallahassee Community College, Dean for Technology and Professional Programs of Tallahassee Community College, District Representative for Suwannee County Schools, the TCC Career Pathways Specialist and others as so designated.

**Career and Technical Education
Career Pathways Articulation Agreement between
Suwannee-Hamilton Technical Center and Tallahassee Community College**

Articulation is a method of granting college-level course credit for learning and skills accomplished as part of vocational school instruction. Suwannee-Hamilton Technical Center and Tallahassee Community College (TCC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

Tallahassee Community College will work with Suwannee-Hamilton Technical Center to establish Career Pathways to serve Career and Technical Education (CTE) students. Agreements will be developed during the year and this agreement will be amended as agreements are completed.

Student Qualifications

Students must meet all TCC admission requirements, select an A.S. or college- credit certificate and present evidence of the following:

1. Successful completion of the articulated technical program of study with a grade of 2.5 (on a 4.00 scale) or better.
2. Successful completion of all applicable developmental classes. Students not requiring developmental classes will earn credit upon acceptance to TCC.
3. At least a 2.00 overall GPA completed if college credit courses have been completed.
4. Completion of the Suwannee-Hamilton Technical Center program no more than 18 months prior to enrollment at Tallahassee Community College.
5. Enrollment in an A.S. or certificate program appropriate to the credit to be awarded for the specified exemption exam or industry certification.

Procedure

1. The Suwannee-Hamilton Technical Center designee will provide evidence of completion to the designated Tallahassee Community College Career Pathways Specialist.
2. Tallahassee Community College's designated Career Pathways Specialist will issue a letter to students who have successfully completed the Suwannee-Hamilton Technical Center program as reported by the Suwannee-Hamilton Technical Center designee. This letter will identify the articulated college credit of the Career Pathway.

3. If the student desires to participate in the identified Career and Technical Education program, the student will request that an official transcript be forwarded to TCC. Students will receive block credit upon submission of the Suwannee-Hamilton Technical Center transcript.

Conditions of Agreement

1. Suwannee-Hamilton Technical Center and TCC's faculty will review course textbooks, syllabi and other institutional materials as needed in order to develop articulated programs of study.
2. Suwannee-Hamilton Technical Center and TCC's will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. Suwannee-Hamilton Technical Center and TCC will cooperate in publicizing Career Pathways in order to ensure that students are aware of the opportunities.
4. Tallahassee Community College will not charge tuition for any courses for which a student receives articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee. The articulation committee will be composed of the Principal or designee, Suwannee-Hamilton Technical Center, the Provost and Vice President of Academic Affairs and the Dean of Technology of Professional Programs.
