MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Disposition of Property

Item Description

Disposition of property per TCC policy 6Hx27:09-10.

Overview and Background

The following vehicle utilized exclusively by the Florida Department of Transportation (FDOT) Florida Law Enforcement Liaison Program (project #PT-13-12-01) has outlived its' useful life:

2008 Chevrolet Tahoe VIN: 1GNFC13088R125376 (TCC Property #15714)

Extensive travel and towing have contributed to extensive wear and tear, significantly diminishing the life of the vehicle. The current mileage for this vehicle is in excess of 100,000. In addition to standard maintenance and servicing, this vehicle has experienced a number of mechanical failures. The mechanical limitations in towing capacity leave the vehicle insufficient to execute the goals and objectives of the program.

Approval to dispose of this vehicle was granted by the sub-grantor, FDOT, on January 8, 2013. Pursuant to Section 1013(2)(a), Florida Statutes, procedures for disposition of property shall be in accordance with Chapter 274, Florida Statutes.
