MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at both the TCC Main Campus and the TCC Florida Public Safety Institute for information for the Board of Trustees.

Overview and Background

Main Campus:

Work continues on several small health and safety related projects. The new lighting is in place at the Student Union parking lot, and handrails at several buildings have been revised to conform with the requirements of the ADA Accessibility Guidelines. Architectural planning continues for renovations to the Dental Hygiene lab areas and renovations to the Science lab areas.

Ghazvini Center for Healthcare Education:

Work is substantially complete on the renovations to the new lab for the Surgical Technology program. In addition, a small cafe' is expected to be in operation by the time of the Board meeting.

Florida Public Safety Institute:

The environmental engineers are generally complete with their assessment of the retention ponds at the firing ranges. Work on the natural gas conversion project should be complete by the end of January.

Past Actions by the Board

None

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
