MEMORANDUM

TO: District Board of Trustees
FROM: Jim Murdaugh, President 
SUBJECT: Construction Status Report

Item Description

This item describes the status of various construction, renovation, remodeling and site improvement projects at all TCC locations for information for the Board of Trustees.

Overview and Background

Main Campus:

The construction of the Dental Hygiene renovations will be accomplished in two phases. The first phase will be remodeling of the existing Dental Lab, Room 136, into a Radiology Lab with six seats. This work is expected to be completed by May 1, 2014 and will provide temporary facilities for the program while the main clinic is renovated next summer. Drawings for the Radiology Lab are complete and contractor pricing is in progress. Also on Main Campus, construction of the Organic Chemistry Lab renovation remains on track to be completed in December.

Wakulla Environmental Institute:

Survey work and traffic engineering are underway for the new entrance road. Barnett Fronczak Barlowe Architects has started design work on Building One.

Florida Public Safety Institute:

The project parameters of the critical power infrastructure for the Administration Building have been revised, and engineering evaluation continues on this project.

Past Actions by the Board

None

Funding/Financial Implications

This is a monthly update on the status of various construction and renovation projects undertaken to support the educational mission of the College. No further action is necessary on the part of the Board at this time.
