Memorandum

TO: Dr. Jim Murdaugh, President, Tallahassee Community College
FROM: Heather Mitchell, Vice President for Resource Development
Executive Director, TCC Foundation
DATE: April 29, 2016
RE: Naming Dedication - STEM Center

The Foundation would like to request your approval to name the STEM Center to honor Dr. Lei Wang. She has made a significant investment, which will be matched by the Foundation's President Circle. Together, these funds will provide critical dollars to complete a renovation of this important space on our campus over the summer.

The TCC Foundation staff has met with the donor and suggests the following name:

The Lei Wang STEM Center

As this is the second collaborative project funded by the President's Circle members and a private donor, we would also like to add a plaque to commemorate those members of the President's Circle as of August 15, 2016. The recommended wording for this plaque would be:

**The Lei Wang STEM Center
generously donated by
Dr. Lei Wang in collaboration with the
Tallahassee Community College President's Circle**

(names will be added below)
