**Item Description**

The State Requirements for Educational Facilities (SREF) require the Board to announce its intent to pre-qualify contractors at a public meeting.

**Overview and Background**

The Trustees approved a process that requires construction managers to meet specific criteria before submitting proposals for TCC renovation, remodeling or construction projects. These criteria are outlined in Section 4.1 of SREF and Florida Statutes Chapter 1013.46.

The District Board of Trustees intends to pre-qualify construction managers on an annual basis for both planned and proposed projects estimated to cost up to \$2,000,000 and included in the annual Capital Improvement Plan (CIP).

After this announcement, the College will make available the pre-qualification packet soliciting Construction managers interested in submitting proposals for College projects. After the evaluation process is complete, a separate Board action will be requested to approve the recommended list of contractors.

**Funding/ Financial Implications**

The construction projects will be funded from the annual PECO renovation/remodeling funds, TCC funds or approved grant funds.

**Past Actions by the Board**

The District Board of Trustees approved the list of construction managers for the previous year at the February 18, 2019 meeting.

**Recommended Action**

Approve the initiation of the process to pre-qualify construction managers for the period of February 20, 2020 through February 19, 2021.

Florida Statutes 288.703 definitions – As used in section 288.703, the following words and terms shall have the following meanings unless the content shall indicate another meaning or intent:

- (1) "Small business" means an independently owned and operated business concern that employes 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than \$5 million or any firm based in this state which has a Small Business Administration 8(a) certification. As applicable to sole proprietorships, the \$5 million net worth requirement shall include both personal and business investments.
- (2) "Minority Business Enterprises" means any small business concern as defined in subsection (1) which is organized to engage in commercial transactions, which is domiciled in Florida, and which is at least 51% owned by minority persons who are members of an insular group that is of a particular racial, ethnic, or gender make-up or national origin, which has been subjected historically to disparate treatment due to identification in and with that group resulting in an under-representation of commercial enterprises under the group's control, and whose management and daily operations are controlled by such persons. A minority business enterprise may primarily involve the practice of a profession. Ownership by a minority person does not include ownership which is the result of a transfer from a nonminority person to a

minority person within a related immediate family group if the combined total net asset value of all members of such family group exceeds \$1 million. For purposes of this subsection, the term “related immediate family group” means one or more children less than 16 years of age and a parent of such children or the spouse of such parent residing in the same house or living unit.

- (3) “Minority person” means a lawful, permanent resident of Florida who is:

  - c. An Asian American, a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands, including the Hawaiian Islands prior to 1778.
  - d. A Native American, a person who has origins in any of the Indian Tribes of North America prior to 1835, upon presentation of proper documentation thereof as established by rule of the Department of Management Services.
  - e. An American woman.

- (5) “Department” means the Department of Management Services.
- (6) “Ombudsman” means an office or individual whose responsibilities include coordinating with the Office of Supplier Diversity for the interests of and providing assistance to small and minority business enterprises in dealing with governmental agencies and in developing proposals for changes in state agency rules.
- (7) “Financial institution” means any bank, trust company, insurance company, savings and loan association, credit union, federal lending agency, or foundation.
- (8) “Secretary” means the secretary of the Department of Management Services.

It is unlawful for any individual to falsely claim to be a minority business enterprise for purposes of qualifying for certification with any governmental certifying organization as a minority business enterprise in order to participate under a program of a state agency which is designed to assist certified minority business enterprises in the receipt of contracts with the agency for the provision of goods or services. The certification of any contractor, firm, or individual obtained by such false representation shall be permanently revoked, and the entity shall be barred from doing business with state government for a period of 36 months. Any person who violates this section is guilty of a felony of the second degree, punishable as provided in s. [775.082](#), s. [775.083](#), or s. [775.084](#).
